FEATURES + BENEFITS

Convenience

- A single press of the Shutter button powers the camera on and starts recording automatically.
- Durable by design, HERO5 Black is waterproof to 33ft (10m) without a housing.
- Preview and play back your shots, change settings and trim your footage, all on your GoPro.
- Enjoy hands-free control of your GoPro using simple voice commands.

Connected

- Bluetooth and Wi-Fi make it easy to stay connected with GoPro apps, accessories and more.
- Capture the location where your photos and videos are taken.

Capture Quality

- Stunning 4K video and 12MP photos in Single, Burst and Time Lapse modes.
- HERO5 Black captures stunningly smooth video handheld, mounted to your favorite gear, and more.
- HERO5 Black automatically filters out wind noise.
- Advanced image processing provides stunning video and photo quality in low-light conditions.
- Advanced audio processing captures left and right stereo audio channels.
- RAW photos provide the most flexibility when using advanced photo editing software.
- WDR Photo captures added detail in shadows and highlights in the scene.
- Fine-tune exposure settings with simple on-screen Exposure Control.

The Versatile GoPro Family

- Charge HERO5 Black up to 20% faster² with the optional GoPro Supercharger (International Dual-Port Charger).
- Capture life in a whole new way with 30+ GoPro mounts and accessories, including Karma™, 3-Way™, Remo and more.
