Work from Home

- 1.To support 360°omnidirectional audio pickup, MAXHUB Speakerphone needs to be unobstructed.
- 2.Wireless charging is optional, and an extra wireless charger is required for this function.
- 3.Based on tests results from MAXHUB Lab, the actual usage time depends on the environment and battery consumption.
- 4.Based on tests results from MAXHUB Lab, test environment is within a meeting room with reverberation time less than1s, voice being recognizable identified as effective audio pick up.
- 5.To achieve ideal results, MAXHUB recommends using MAXHUB USB cables and MAXHUB audio cables, which are boxed (which are boxed) together with MAXHUB Speakerphone
