Viewfinder Extension Cable

Longer viewfinder cable for DVF-EL100 & DVF-L700 for added flexibility

- Longer viewfinder cable (120cm/47in) using original connector
- Part number: A-1970-765-A

AXS-R5 Extension Cable

The F5 and F55 cameras just got smaller

- The extension cable offers flexible camera configurations for installation in tight spaces or unique shooting angles. Ideal for tight action shots, Steadicam and crane applications. Shoot in 2K or 4K RAW without compromise.
- The cable permits the F5 and F55 to be separated from the RAW recorder up to a length of 2m (6.6ft.)
- The power "feeds" through the R5 to the camera. No loss of functionality.
- Part number: A-2009-781-A

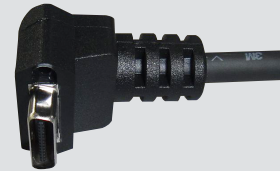

Advanced VF Cable for DVF-EL100 & DVF-L700

90 degree connector cable for even better connectivity

- Advanced VF cable offers a 90 degree connector, reducing the camera profile and a cable guard for a secure robust connection.
- Kit includes: Rigid Cable (53cm/20in), Cable Guard, Extended Screw.
- Part number: A-1989-771-A

Cable Guard

Advanced VF Cable
