

# ace<sub>XL</sub>

Ideally suited for digital cine-style cameras

## INTRODUCING THE NEW SACTLER ACE XL TRIPOD SYSTEMS

The Ace XL fluid head with its maximum payload capacity of 8kg / 17.6lbs is now available in a variety of tripod systems designed for different needs: Ace XL flowtech for an incredibly fast setup, Ace XL Carbon Fibre for minimum weight and the entry level Ace XL Aluminium.

This latest addition to the popular Sachtler Ace range is ideally suited for digital cine-style cameras, such as the Blackmagic URSA Mini Pro, Canon C200 and C300 Mark 2, Panasonic GH5, Sony FS7 and the new Panasonic EVA1!

The renowned Sachtler drag and counterbalance mechanism makes the Ace XL tripod system a professional and reliable lightweight camera support for completely jerk-free camera movements, and maximum stability.
