With over a decade of experience providing tools to the world's top broadcasters and motion picture studios, Pinnacle is uniquely qualified to define the next generation of digital video production. ★ Only Pinnacle could imagine a set of applications designed to enhance creativity by combining power with control. ★ Only Pinnacle could deliver a complete, end-to-end solution that follows inspiration from capture to DVD authoring. ★ Only Pinnacle could create a fully professional suite of video tools designed specifically for the PC platform.

It's Time
To create without boundaries

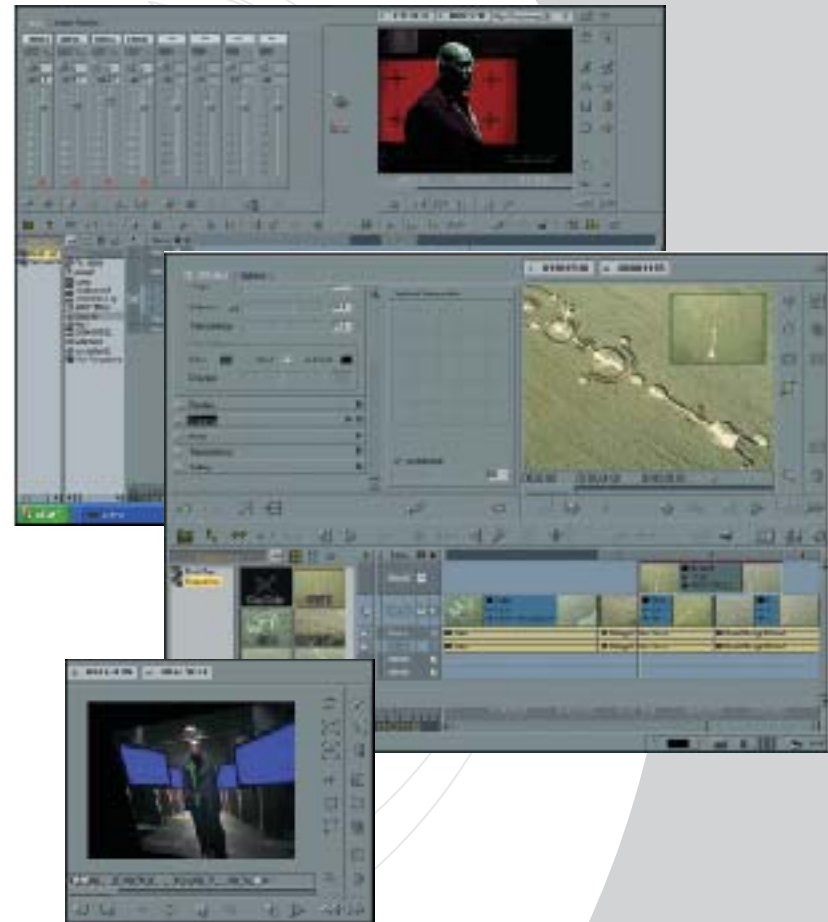

It's Time
For a complete, integrated solution

It's Time
For Pinnacle Edition and the Creative Collection

EDITION

Pinnacle Edition is a world-class PC based **Digital Video Editing Application**. ★ Designed with today's more powerful PCs in mind, Pinnacle Edition delivers the features, speed and flexibility that video professionals demand. ★ Optimized for professional applications, Pinnacle Edition delivers superior image quality on pan and zoom effects, fast and slow motion and color correction. ★ Pinnacle Edition also provides an amazingly flexible and intuitive user interface, the ability to burn Direct-to-DVD from the timeline as well as author completely professional DVDs, and a unique Background Rendering feature, which ensures that you'll never stop working while your tools catch up.

"Any sufficiently advanced technology is indistinguishable from magic."

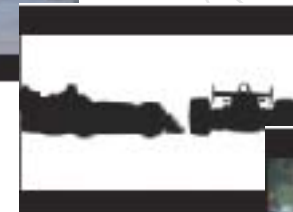

- Arthur C. Clarke

COMMOTION

Pinnacle Commotion combines the power of the **paintbrush** with intuitive **compositing** and **effects** tools to deliver breakthrough performance and control on the desktop, allowing you to turn your vision into reality. ★ Designed to be a true artist's tool, Pinnacle Commotion delivers freedom of expression: the most powerful rotoscoping tools, a 3rd generation paint system written from the ground up to ensure quality retouching and special effects, and a host of easy-to-use filters for superior keying, cleaning up composites, and adding text and other effects. ★ Like no other application, Pinnacle Commotion can turn dreams into reality.

Pinnacle Commotion is included in Pinnacle Edition

Pinnacle Commotion Pro is also available separately.

*"I paint objects as I think them,
not as I see them."*

- Pablo Picasso

IMPRESSION

Pinnacle Impression DVD is a professional quality solution for DVD authoring. Subtitles, multiple angles, multiple audio tracks, full motion menus and more are supported in an easy-to-use, drag and drop interface. ★ Pinnacle Impression DVD also delivers a host of other features aimed at making the authoring process as intuitive and creative as the filmmaking process. ★ Ninety-nine movies per title, unlimited menus and up to thirty-six buttons per menu remove the limitations imposed by other software packages, and make Pinnacle Impression DVD the only choice for DVD in today's world.

The full version of Pinnacle Impression DVD Pro is included in Pinnacle Edition.

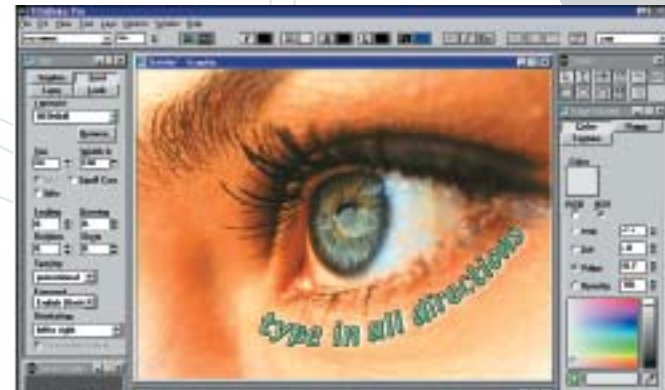

*"If you can dream it,
you can do it."*

- Walt Disney

TITLEDKO

Pinnacle TitleDeko is a powerful, software-based **character generator** providing you with a stunning array of features designed to enhance your non linear video production. ★ Pinnacle TitleDeko gives you the ability to define an unlimited number of text styles, type on a user-defined curve, import any logo or image as a text character, and animate titles with rolls and crawls... all combined to deliver incredibly dynamic titles and text effects. ★ Pinnacle TitleDeko unites sophisticated features, a powerful graphics engine and an elegant user interface to ensure that the quality of your titles will live up to your production.

Pinnacle TitleDeko is included in Pinnacle Edition

Pinnacle TitleDeko Pro is also available separately.

*"History will be kind to me,
for I intend to write it."*

- Sir Winston Churchill

HOLLYWOOD FX

Pinnacle Hollywood FX gives you incredible power to create **3D transitions** and **effects** for your video productions. ★ Hollywood FX continues to combine legendary ease-of-use with incredible 3D editing power, and allows you to create your own transition effects by editing objects, surfaces, media, camera, lights, and an advanced library of image filters and 3D warp plugins. ★ In addition, Pinnacle Hollywood FX is built upon an expandable architecture and will let you add effects to your library quickly and easily. ★ Rendering speeds are also not an issue, as all Hollywood FX products take advantage of DirectX and OpenGL graphics accelerators for near real time effects.

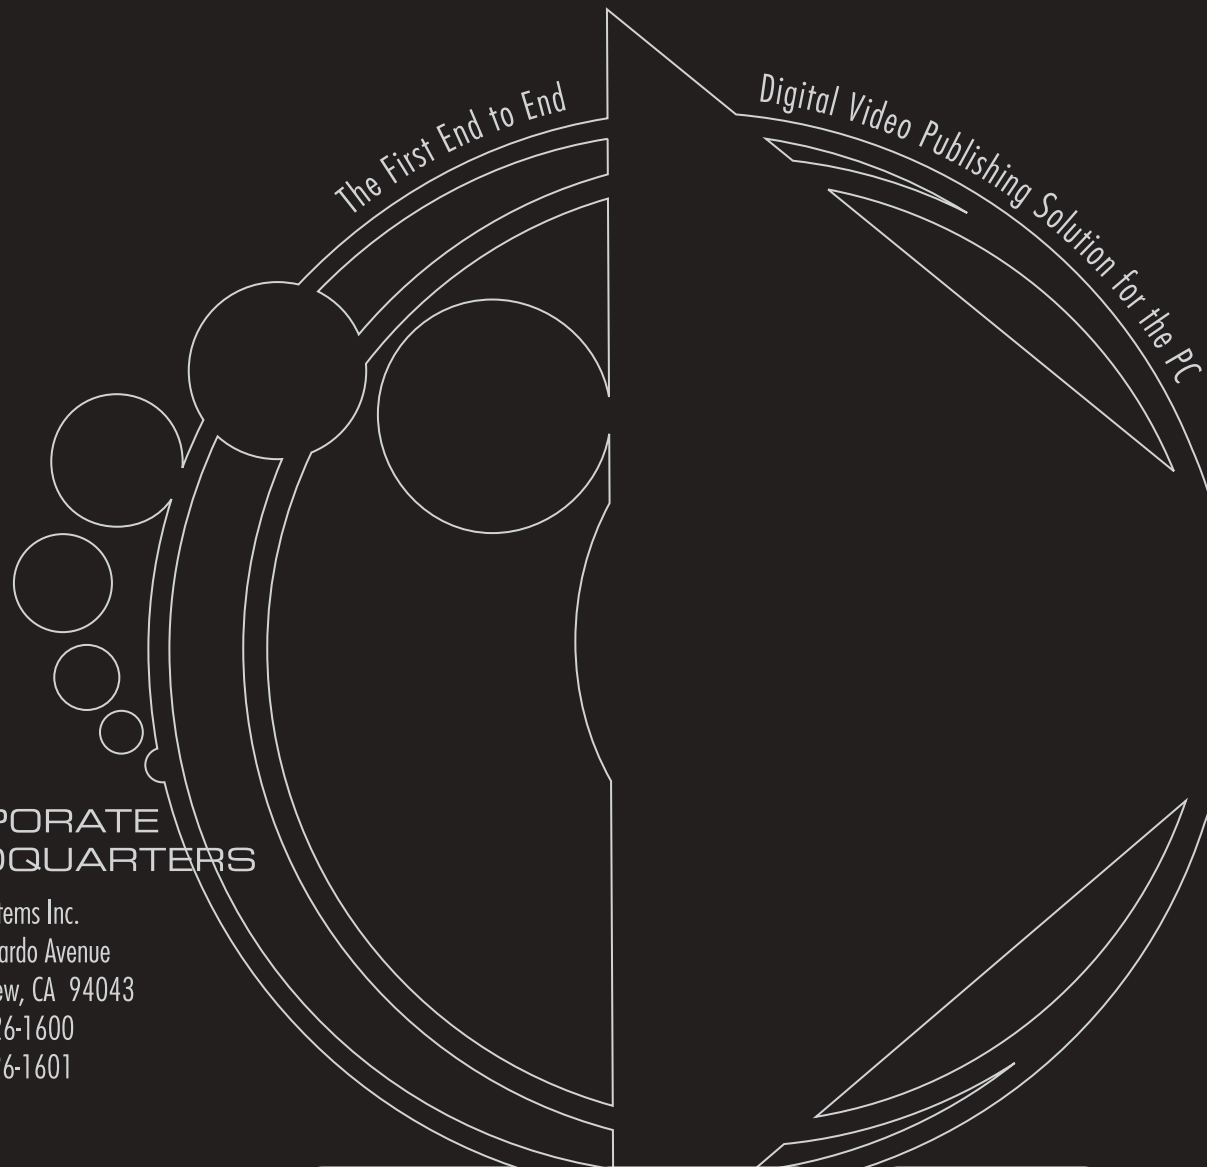

Pinnacle Hollywood FX is included in Pinnacle Edition.

Pinnacle Hollywood FX Pro is also available separately.

"Thoughts are but dreams 'till their effects be tried."

- William Shakespeare
